## Colors Available

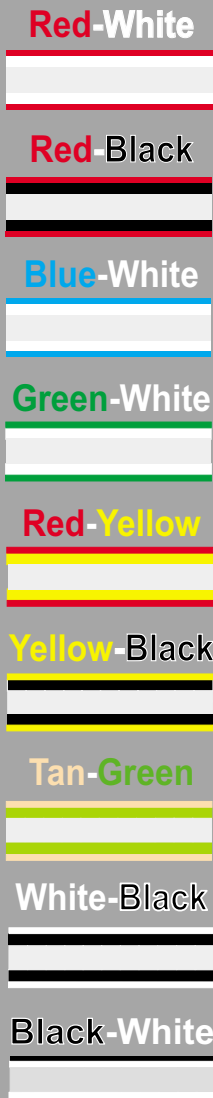

### STANDARD

### Fluted /Corr

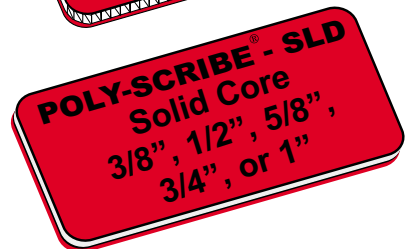

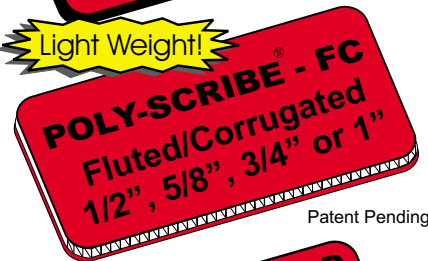

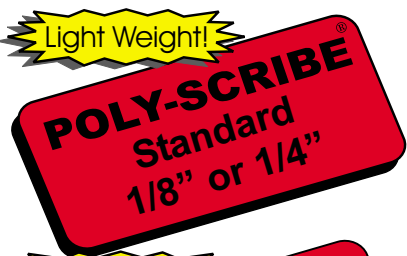

### Solid Core \*

## NO Inks, NO Paint, NO Vinyl Letters

Nudo Products, Inc. now offers you our newest sign panel. Poly-Scribe® is manufactured to meet today's high standards in the sign industry. Co-Extruded as one solid piece of plastic, colors bond at a molten state eliminating any chance of delaminating. Poly-Scribe® comes in 3 variations; Standard, Solid Core or our Patent Pending Fluted / Corrugated Core.
